Mina Abdelmalak

Frontend Developer

mina.abdelmalak.fe@example-mail.com | Cairo, Egypt

Profile

Frontend Developer with 1 year of experience at FreshRoots Studios, mostly working on client UI work and landing pages.

Experience

Frontend Developer — FreshRoots Studios (2023-04 – 2024-03)

- Fixed small UI bugs reported by QA across the main product.
- Implemented a handful of self-contained UI components in React from Figma, mostly one-screen or one-section pieces.
- Built and maintained CSS styles, primarily for a marketing landing page.

Education

B.Sc. in Computer Engineering — Delta University

Skills

HTML, CSS, JavaScript, Tailwind CSS
